

ARE YOU INTERESTED IN TAKING ACTION ON THE MANAGEMENT AND DESIGN OF YOUR PARKING SPACES?

The Montréal, Laval, Montérégie, Capitale-Nationale and Centre-du-Québec Conseils régionaux de l'environnement can support you in your parking projects in order to obtain an Attestation Stationnement écoresponsable Ecoresponsible Parking Attestation.

Whether you own or manage a parking facility, are a real estate developer a planning and design professional, or a municipality, your involvement in the initiative can provide you with:

- ✓ Multiple tools and training sessions
- ✓ Personalized support
- ✓ A recognized attestation
- ✓ Publicity about your actions

CHOOSING ECORESPONSIBLE PARKING MEANS:

- ✓ Reducing travel costs
- ✓ Increasing property values
- ✓ Offering an attractive approach to life and work
- ✓ Communicating your commitment to sustainability
